GATE KEY FOBBS

The Gates are operational and we are ready to assign key fobs. Each slip renter will get one key fob. We will order additional fobs for purchase. The additional fobs will cost \$10.

You've probably seen or used them before -- a plastic key fob is used to swipe in front of a reader to unlock a door or open a gate. The laundry and shower doors and all gates will open by reader placed in front of the door or gate. Once you have gained access, in order to leave you will need to push the Push Button Switch at the gates and the gate will open or unlock (J/600-Dock).

Please contact the marina office and get your fob.

Gate Schedule

Once over half the slip renters fobs are assigned. we will start an automatic gate schedule. The gate schedule will close the gates at 8pm and open the gates at 8 am. The Laundry and showers will remained locked at all times.
